P/16/42	Public Question Time	
----------------	-----------------------------	--

A local resident informed councillors of the current status of the Village Green Application (VGA). Hampshire County Council (HCC) voted for the VGA to be sent forward for an enquiry.

Cllr Gordon noted that the orange markers that have appeared on Top Field are likely the developer marking out the site.

Councillors were asked whether Drew Smith can submit alternatives under an appeal, as suggested at the last meeting. Cllr Gordon noted that the alternative plans presented to the committee at the last meeting where an attempt to establish an alternative plan with the Parish Council's approval. However, as per the last meeting, the Parish Council will not be proceeding with any alternative proposals, or entering into further negotiations.

Another local resident enquired as to whether the bridge on Lovedon Lane is included in the Lovedon Lane Junction works. Cllr Gordon responded stating that the works at Lovedon Lane were completed with only the Cart & Horses Junction works remaining, which are commencing on the 3rd May. However, there are issues with new junction layout at the Lovedon Lane junction which is resulting in Heavy Good Vehicles and Tractors, needing to the cut across the grass to make it round the corner. A response from the letter sent to HCC with regards to works at the junction, is to be chased.

The amended minutes were then agreed and signed as a true record of the meeting by Cllr Gordon.
