It sits outside of the village settlement area for Kings Worthy Parish Council. When looking at expanding the settlement boundary the Parish Council felt that Lovedon Lane and Stoke Charity road gave a clear indication as to the revised Settlement boundary line keeping areas beyond this as green field areas. This was submitted to members of the public in exhibitions held by the Parish Council and were found acceptable. 2. It is not situated in any areas that were agreed suitable for development by the Parish Council when considering its response to LPP11 which was submitted and accepted by the inspector in his examination of the plan for Kings Worthy Parish. 3. When the original application to erect stabling and ménage for the horse which the Parish Council Supported, there was no question that in the near future residential accommodation would be required, had this had been the case then the Parish Council may not have looked so favourably on the original application. 4. The Parish Council did consider the number of supporters to the application and found that many of them feelings of local residents, only those of people that find it a suitable place as to where they can keep their horses.

Enforcement Notices - Open Cases

Ref.	Brief Details (address)	Issue
15/00135/MIXED	1 Edinburgh Road, Kings Worthy, SO23 7NY	Alleged unauthorised use of land, untidy site and construction of a shed on a concrete foundation. Last inspection date (10/09/2015) - Met with owner in City Offices, he advised that he didn't realise they were breaking any law by building the shed. He will apply for planning permission and remove the ladders etc from the garden.
16/00088/CARAVN	Meadow Farm House, Basingstoke Road, Kings Worthy, Winchester, Hampshire, SO21 1AB	Alleged residential use of mobile home.
16/00219/PLAN	Kilchelwin, 41 Wesley Road, Kings Worthy, Hampshire, SO23 7PX	Site visited, met with landowner and inspected the alleged breach. A 4m deep single storey rear extension has been erected but had not yet been completed, and the garage that had once been attached to the gable had been demolished in preparation of the works to erect the two storey side extension approved by under 15/02895/FUL. The landowner showed me the approved plan which showed the side extension and three roof dormers of equal size providing balance and symmetry to the rear elevation. He stated that it was his intention to change the roof design and erect one large dormer on the dwelling and leave the smaller one on the extension. I advised that an application showing the actual and proposed works would need to be submitted because he would not be building to the approved drawing.
